Subject: The title "Iranian Journal of Electrical and Electronic Engineering" has been selected for indexing in Scopus

Title: Iranian Journal of Electrical and Electronic Engineering
ISSN / E-ISSN: 1735-2827 /
Publisher: Iran University of Science and Technology

Dear Mohammad Khalaj Amirhosseini,

The title mentioned above has been evaluated for inclusion in Scopus by the independent reviewers of the Content Selection & Advisory Board (CSAB). The review of this title is now complete. We are pleased to inform you that the CSAB has advised that the title will be **accepted** for inclusion in Scopus. Our apologies for the delay in getting back to you, which was caused by setting up new internal evaluation procedures, as well as an overwhelming amount of suggested titles in the past two years.

If you are a Publisher or Editor, you will be contacted, or might already have been contacted separately by our Source Collection Department to set up subscriptions for this title. The title will be added (or might already have been added) to Scopus as soon as we have access to the title. Please notice that it is not necessary to start sending us issues of your title in response to this email.

To increase the visibility that the accepted title is now added to Scopus, we encourage you to inform the users of your title on your website. You can find appropriate banners [here](#) (by scrolling all the way down).

Yours sincerely,

The Scopus Team
